

The diagram shows a rectangular tag with rounded corners. At the top, there are two horizontal oval shapes representing punch holes. A solid black line outlines the tag's edge. Inside this, a dashed blue line indicates the safe area. A dashed red line indicates the bleed area. The text in the center explains the dimensions for each line type.

Blue line is safe area (3.4375" x 4.75")
Black line is tag edge (3.8125" x 5.5")
Red line is bleed area (4.0625" x 5.75")
