

The diagram shows a rectangular ticket layout divided into two sections by a vertical dashed black line. The entire layout is enclosed in a solid black border. A red dashed line forms a larger rectangle around the black border, representing the bleed area. A blue dashed line is positioned inside the black border, representing the safe area. The left section contains text explaining the dimensions of these lines. The right section contains text explaining the dimensions of the blue safe area.

Blue line is this safe area (3" x 1.625")  
Black line is ticket edge (2" x 5")  
Red line is bleed area (2.25" x 5.25")

This Blue line is  
safe area (1.25" x 1.625")
