

The diagram shows a rectangular layout divided into two sections by a vertical dashed line. The left section is larger and contains text about safe area and bleed area. The right section is smaller and contains text about its safe area. A solid black line forms the outer boundary, a blue dashed line is inside it, and a red dashed line is further out. A vertical dashed line separates the two sections.

Blue line is this safe area (6" x 1.625")
Black line is ticket edge (2" x 8")
Red line is bleed area (2.25" x 8.25")

Blue line is
this safe area
(1.25" x 1.625")
