

The diagram shows a vertical rectangular tag with rounded corners. A blue dashed line forms an inner rectangle, representing the safe area. A black dashed line forms an outer rectangle, representing the tag and bleed edge. Three dashed oval shapes are positioned at the top and bottom edges of the tag, representing punch holes. The text in the center explains the dimensions of these areas.

Blue line is safe area/bleed area (3.75" x 2.4125")

Black line is tag and **bleed** edge (4" x 3")
