

The diagram shows a rectangular tag with rounded corners and two oval punch holes at the top. A solid black line represents the tag's edge, with the text '35X2' at the top left. A dashed blue line represents the safe area, with the text '35X225' at the top left. A dashed red line represents the bleed area, which is the outermost boundary. The tag is set against a background with a red dashed border.

35X225

35X2

Blue line is safe area (3.625" x 2.25")

Black line is tag edge (4" x 3")

Red line is bleed area (4.25" x 3.25")
